Solano Town Center Gallery Gift Shop News

The new FSVAA Solano Town Center Gallery Gift Shop is stocked and ready to satisfy anyone and everyone's gift shop needs. The Gift Shop has been open for just over a month and we have sold 10 items. Now of course, we wish it was more; however, since the number of mall visitors is just a fraction of normal, we are doing pretty well.

It would be wonderful if all our members created a post for their Facebook account promoting our marvelous Gift Shop. Tell your family and friends to come into the Gallery if they want gifts that are personally made by some of your friends. Mention this list of fabulous items currently available: ceramics, hand carved boots, hand tooled belts & hair accessories, hand painted scarves, wood burning, glass suncatchers & angels, greeting cards, prints and certainly, the most unique jewelry in Fairfield. And don't forget to definitely ask everyone to "Like" and "Share".

So... if you get the word out about our extraordinary Gift Shop, we might be able to triple our sales in July.

The next show Intake for 'Electric Words' will also have an intake for new items for the Gift Shop. At this time, we really don't have an excess of anything except prints; therefore, all items in the Gift Shop will remain. However, if you would like to remove items, please come during the intake time to remove your things.

An Opportunity for our Members

The BackRoads Vines Winery will resume having their Second Friday of the Month with live music & festivities on July 10. They have extended an invitation to FSVAA Members to have a "smallish" art fair during this event. The event will be held from 6pm to 9pm and will be by invitation only. It will not be open to the

public. Social Distancing will be in place and masks will be required. (*Space is limited to 4 artist*). We would set up our own tables, chairs, and screens in their large tent at 4pm (*no need to bring your own Popup*). The best news ... there will not be a participation fee, and if this goes well, we may have this same opportunity for August, September, and October.

Another Opportunity for our Members

On July 31, 4-10pm BackRoads Vines Winery will be having a special event and would like to have 8 artists on site.

If you are interested in participating, please contact Dennis Ariza. dariza@pacbell.net
